If you've been approved to marry your sweetheart who is an inmate at TCF, call me and I'll officiate your ceremony. It's a simple flat fee of 100 dollars cash, payable before we go through security. The chaplain will be present during your wedding. The weddings are quick, simple, and take only about ten minutes. We can have your wedding at the beginning of visitation, around 9:30 a.m. Call or text me anytime. Alternately, you may email me at deltaweddingofficiant@yahoo.com. I'll send you sample vows, a copy of my ordination certificate, and a letter full of helpful information. Read the review on my website. Call today and set up your wedding!
